CPAF BOARD OF DIRECTORS

During the 1976 California Police Olympics held in San Jose, the Board of Directors of the CPAF became known to many for the first time. The Directors realized that as the Police Olympics continued to grow, more and more problems were developing during the games. Many of these problems required policy decisions to be made by this group rather than the host agency.

A Federation room was opened and manned by one or more of the Directors each day. Questions were answered, protests received and acted upon, and in general, the Board members tried to be of service to anyone who stopped by.

This year in Humboldt, a Federation room was again opened and, in addition to answering questions, receiving complaints and protests, we received the results directly from the event coordinators. The purpose of receiving results in this manner was to mail to those participants who had signed up to receive them and to publish a CPAF newsletter.

When was the Federation Founded?

The CPAF was founded in 1968, shortly after the first Police Olympics were held in San Diego. A meeting was held at the Los Angeles Police Academy and interested officers from throughout the State attended. Corporation papers were drawn up shortly after that meeting and a non-profit corporation was formed.

What is the Purpose of the CPAF?

The prime functions of the CPAF are to plan for and perpetuate the California Police Olympics, to encourage physical fitness, and to promote athletic competition among police officers throughout the State.

What Salary do the Directors Receive and Where Does the Money Come From?

CPAF Directors receive no remuneration of any kind. Their contribution to police athletics is all voluntary. Expenses incurred for the attendance at meetings and for CPAF business is reimbursed. This money comes from a portion of each entry fee that is paid to the Federation by the organization hosting each year's Olympics.

How Often are meetings of the CPAF Held?

There are currently three regular meetings held annually with special meetings called when necessary. One meeting is held at the site of the next year's Police Olympics; this meeting is held to completely critique the past year's games and to give the next host agency some insight into problems that can be expected. Also, at this meeting the Police Olympic's site for the second year following is selected. Any organization that

is interested submits a bid, and the Board of Directors votes on the final selection. The second meeting is held in May or June, just prior to the Police Olympics for the purpose of assisting the host agency with problems they may have encountered, viewing sites to determine their adequacy and, in general, satisfying the Board of Directors that the Police Olympics can be held successfully. A third regular meeting is held on the day prior to the Police Olympics to resolve any matters pending that require CPAF action.

What is the Authority of the CPAF?

The CPAF has final authority in any matter concerning the California Police Olympics. All procedures, rules, and regulations are established by the CPAF. Even though events may be governed by such organizations such as the AAU, NRA, CCA, these rules may be altered or revised in some manner by the CPAF. The only purpose for such a revision would be to adjust to the needs of police officers and would be made with the best interest of the Police Olympics in mind.

How is it Possible to Organize and Coordinate a Program the Size of the Police Olympics Without a Paid Staff?

Only so long as the Directors of the Board of the CPAF have the best interests of athletics and police athletes in mind and are willing to devote the time and energy necessary to do the job, will the volunteer organization continue to be successful. Police athletes contribute to this success by providing the funds for the CPAF to operate. A portion of these funds also go to pay entry fees and provide a team jacket for the California team going to the National or International Police Olympics.

What Can I Do if I Want to Learn More About the CPAF or Have Other Questions Concerning the Police Olympics?

NATIONAL POLICE ATHLETIC FEDERATION

What Is It and What Is It All About?

On May 1, 1977, representatives from several states, including New York, Florida, Ohio, Texas, Missouri, and Oklahoma, met in Dallas, Texas, for the purpose of creating a national organization for the perpetuation and planning of the National Police Olympics. Bob Burke, LAPD; Bill Bradley, SDSO; and Duke Nyhus, SDPD; represented California at this meeting.

As a result of this meeting, the National Police Athletic Federation was formed and the following officers were elected as the first Board of Directors:

President.....Duke Nyhus, California
First Vice President.....Tom Harrigan, New York
Second Vice President.....Norm Demers, Florida
Treasurer.....Tom Vought, Texas
Sergeant-At-Arms.....Larry Greene, Ohio
Executive Secretary.....Bill Bradley, California

Committees were appointed to develop the ground work for incorporation, establishing by-laws, and developing rules and guidelines for sporting events.

As a result, the first International Police Olympics, under the auspices of the NPAF, was hosted in San Diego last year by the San Diego Sheriff's Association and the San Diego Police Athletic Federation.

In February of this year, representatives from many states again met in Las Vegas, Nevada. By-laws for the corporation were firmed up and a new Board of Officers were elected. New York will be the site for the 1980 International Police Olympics, to be held the latter part of August, 1980.

Look for more information on this to be mailed in the near future. Make your plans NOW for San Diego, as well as New York!!!

On behalf of the San Diego Police Athletic Federation, we cordially invite you to attend the 1980 California Police Olympics to be held in San Diego from July 16, 1980 through July 20, 1980. Preparations have already begun to take place so that upon your arrival in San Diego you and your family will find there is little to do except relax and enjoy yourself. Our facilities are superb and all will be within a short distance from the Town & Country Hotel so your travel time to the events will be held to a minimum.

Plan on bringing your family along and spending some extra time with us. You will find that San Diego has numerous and exciting attractions for the whole family. A few of these are Sea World, The Wild Animal Park, The San Diego Zoo and miles of beautiful coastline suitable for swimming, sunbathing, and fishing. Old Mexico is just minutes south of San Diego. For those of you who want to rough it, we have plenty of campsite facilities available throughout the mountains and deserts.

Be sure and plan to spend your vacation with us next year. We guarantee you won't be sorry. See you next year in San Diego.

1980 International Police Olympics will be held in Nassau County, Long Island, New York, August 20 - 24, 1980. To participate in these games you must do all of the following.

1. Be a medal winner in the 1980 California Police Olympics in San Diego, held July 16 - 20, 1980. (All medal winners may not be allowed depending on the number of entries California may send in each sport.)
2. Immediately following the conclusion of your sport, and while still in San Diego, fill out an application for the International Police Olympics and have all necessary fees. (If you expect your association or other sponsor to pay your fees, have that check with you in San Diego or pay with your own funds and be reimbursed at a later time.)
3. Turn the above application and fees in to the CPAF office in the registration area in San Diego on the day your sport concludes.

Important - If you place first in your event and you don't have your completed application and all fees turned in on time, we will select from other medal winners to participate in the International Police Olympics.
