

# **POLICE OLYMPIAN**

JULY 1980

FOURTH EDITION

OFFICIAL PUBLICATION OF THE  
CALIFORNIA POLICE ATHLETIC FEDERATION

### COMPETITORS

Perhaps you are aware of the actions of some individuals at the recently completed Olympics in San Diego, specifically, at the Headquarters, Town & Country Hotel.

If not, suffice it to say that some of these actions were immature, and unprofessional, and certainly not the conduct expected of serious participants.

We realize that these people comprise but a minute percentage of the total; however, we must all understand that the actions of a very few are often looked upon by many as representative of that total. We, as policemen, must conduct ourselves in a manner beyond reproach. This is particularly true in a setting such as the hotel complex.

If these individuals persist in a like manner, or if in the future, similar incidents occur, the Board of Directors will suspend those involved from future participation in the California Police Olympics.

## CPAF BOARD OF DIRECTORS

During the 1976 California Police Olympics held in San Jose, the Board of Directors of the CPAF became known to many for the first time. The Directors realized that as the Police Olympics continued to grow, more and more problems were developing during the games. Many of these problems required police decisions to be made by this group rather than the host agency.

A Federation room was opened and manned by one or more of the Directors each day. Questions were answered, protests received and acted upon, and in general, the Board members tried to be of service to anyone who stopped by.

Every year a Federation room is opened and in addition to answering questions, receiving complaints and protests, we received the results directly from the event coordinators. The purpose of receiving results in this manner was to mail to those participants who had signed up to receive them and to publish a CPAF newsletter.

### When Was The Federation Founded?

The CPAF was founded in 1968, shortly after the first Police Olympics were held in San Diego. A meeting was held at the Los Angeles Police Academy and interested officers from throughout the State attended. Corporation papers were drawn up shortly after that meeting and a non-profit corporation was formed.

### What Is The Purpose Of The CPAF?

The prime functions of the CPAF are to plan for and perpetuate the California Police Olympics, to encourage physical fitness, and to promote athletic competition among police officers throughout the State.

### What Salary Do The Directors Receive And Where Does The Money Come From?

CPAF Directors receive no remuneration of any kind. Their contribution to police athletics is all voluntary. Expenses incurred for the attendance at meetings and for CPAF business is reimbursed. This money comes from a portion of each entry fee that is paid to the Federation by the organization hosting each year's Olympics.

### How Often Are Meetings Of The CPAF Held?

There are currently three regular meetings held annually with special meetings called when necessary. One meeting is held at the site of the next year's Police Olympics; this meeting is held to completely critique the past year's games and to give the next host agency some insight into problems that can be expected. Also, at this meeting, the Police Olympic's site for the second year following is selected. Any organization that

is interested submits a bid, and the Board of Directors votes on the final selection. The second meeting is held in May or June, just prior to the Police Olympics for the purpose of assisting the host agency with problems they may have encountered, viewing sites to determine their adequacy and, in general, satisfying the Board of Directors that the Police Olympics can be held successfully. A third regular meeting is held on the day prior to the Police Olympics to resolve any matters pending that require CPAF action.

#### What Is The Authority Of The CPAF?

The CPAF has final authority in any matter concerning the California Police Olympics. All procedures, rules, and regulations are established by the CPAF. Even though events may be governed by such organizations such as the AAU, NRA, CCA, these rules may be altered or revised in some manner by the CPAF. The only purpose for such a revision would be to adjust to the needs of police officers and would be made with the best interest of the Police Olympics in mind.

#### How Is It Possible To Organize And Coordinate A Program The Size Of The Police Olympics Without A Paid Staff?

Only so long as the Directors of the Board of the CPAF have the best interests of athletics and police athletes in mind and are willing to devote the time and energy necessary to do the job, will the volunteer organization continue to be successful. Police athletes contribute to this success by providing the funds for the CPAF to operate. A portion of these funds also go to pay entry fees and to provide a team jacket for the California team going to the National or International Police Olympics.

1981 CALIFORNIA POLICE OLYMPICS  
SACRAMENTO, CALIFORNIA

July 22-26, 1981

On behalf of Sacramento Police Olympics Committee, I wish to extend to you an invitation to participate in the fifteenth annual California Police Olympics. Scheduled for July 22-26, 1981 in Sacramento, our committee is making every effort to utilize the very best in facilities. We are particularly proud to offer a brand new all weather Chevron 400 surfaced track and field facility located within 24,000 seat stadium. Night time competition has been added to the softball event and a fast pitch softball event has been added. Sacramento's Triathalon (a boat, bike, and foot relay race) promises to offer an exciting new event for 1981.

In addition to presenting the finest in competition facilities, we are prepared to provide a superb vacation for you and your families. Sacramento is just 90 miles from beautiful Lake Tahoe and is part of the mother lode country offering a 1900 era Old Sacramento.

Please make your housing arrangements early through Joan Jackson of our convention bureau, 1100 - 14th St., Sacramento, CA 95814. Our committee is honored to be your 1981 host and dedicates itself to the fulfilling of that trust. See you in July.

Sincerely,

Jim Jorgensen  
Chairman
