CALIFORNIA POLICE ATHLETIC FEDERATION

What is the California Police Athletic Federation (CPAF)?

The California Police Athletic Federation is a non-profit corporation composed of nine members of the Board of Directors, representing all sections of the State of California. The State has been divided into four sections so that representation can be had from officers living in the section he represents.

CPAF BOARD OF DIRECTORS

During the 1976 California Police Olympics held in San Jose, the Board of Directors of the CPAF became known to many for the first time. The Directors realized that, as the Police Olympics continued to grow, more and more problems were developing during the games. Many of these problems required policy decisions to be made by this group rather than the host agency.

A Federation room was opened and manned by one or more of the Directors each day. Questions were answered, protests received and acted upon and, in general, the Board members tried to be of service to anyone who stopped by.

Every year a Federation room is opened and, in addition to answering questions, receiving complaints and protests, results were received directly from the event coordinators. The purpose of receiving results in this manner was to publish the Police Olympian and mail a copy to all participants.

When was the Federation founded?

The CPAF was founded in 1968, shortly after the first Police Olympics was held in San Diego. A meeting was held at the Los Angeles Police Academy and interested officers from throughout the State attended. Corporation papers were drawn up shortly after that meeting and a non-profit corporation was formed.

What is the purpose of CPAF?

The prime functions of the CPAF are to plan for and perpetuate the California Police Olympics, to encourage physical fitness, and to promote athletic competition among police officers throughout the State.

What salary do the Directors receive and where does the money come from?

CPAF Directors receive no remuneration of any kind. Their contribution to police athletics is all voluntary. Expenses incurred for the attendance at meetings and for CPAF business are reimbursed. This money comes from a portion of each entry fee.

How often are meetings of the CPAF held?

There are currently three regular meetings held annually with special meetings called when necessary. One meeting is held at the site of the next year's Police Olympics; this meeting is held to completely critique the past year's games and to give the next host agency some insight into problems that can be

expected. Also, at this meeting, the Police Olympic's site for the second year following is selected. Any organization that is interested submits a bid, and the Board of Directors votes on the final selection. The second meeting is held in May or June, just prior to the Police Olympics for the purpose of assisting the host agency with problems they may have encountered, viewing sites to determine their adequacy; and, in general, satisfying the Board of Directors that the Police Olympics can be held successfully. A third regular meeting is held on the day prior to the Police Olympics to resolve any matters pending that require CPAF action.

What is the authority of the CPAF?

The CPAF has final authority in any matter concerning the California Police Olympics. All procedures, rules, and regulations are established by the CPAF. Even though events may be governed by such organizations as the TAC, NRA, NCAA, these rules may be altered or revised in some manner by the CPAF. The only purpose for such a revision would be to adjust to the needs of police officers and would be made with the best interest of the Police Olympics in mind.

How is it possible to organize and coordinate a program the size of the Police Olympics without a paid staff?

Only so long as the Directors of the Board of the CPAF have the best interests of athletics and police athletes in mind and are willing to devote the time and energy necessary to do the job will the volunteer organization continue to be successful. Police athletes contribute to this success by providing the funds for the CPAF to operate.

What can I do if I want to learn more about the CPAF or have other questions concerning the Police Olympics?

Contact any member of the Board of Directors in your area.

CALIFORNIA POLICE ATHLETIC FEDERATION ASSOCIATES

Steve Garvey
Honorary Chairman

Steve Garvey, outstanding first baseman for the San Diego Padres, has been selected by the Board of Directors of the California Police Athletic Federation to be the first Honorary Chairman of the CPAF ASSOCIATES and the World Police and Fire Games.

Steve has been a long-time supporter of law enforcement and learned of the Police Olympics through a friend, Lt. Bob Jones of the San Diego Police Department, who has competed in and coordinated Police Olympic events. Steve's enthusiasm to become a part of this program soared.

Steve Garvey's ability to excel as an athlete goes back to 1966 when he was named Athlete of the Year at Chamberlain High School in Tampa, Florida. He was drafted by the Minnesota Twins out of high school, but chose not to sign. Instead, he entered Michigan State, where he played football and became an All-American baseball player. In June of 1968, Steve became the Dodgers #1 selection in the Free Agent Draft.

Steve has six 200 hit seasons to his credit, which is exceeded by only seven players in major league history: Pete Rose (10), Ty Cobb (9), Lou Gehrig (8), Willie Keeler (8), Paul Waner (8), Charles Gehringer (7) and Roger Hornsby (7).

The Directors of the California Police Athletic Federation are extremely pleased to include Steve Garvey on "the team". His presence can only result in a greater opportunity to improve the California Police Olympics and other police athletic competitions.

Steve, we welcome you!

FOUNDERS CLUB

BIOGRAPHICAL INFORMATION - JOSEPH P. (JOE) JOHNSON

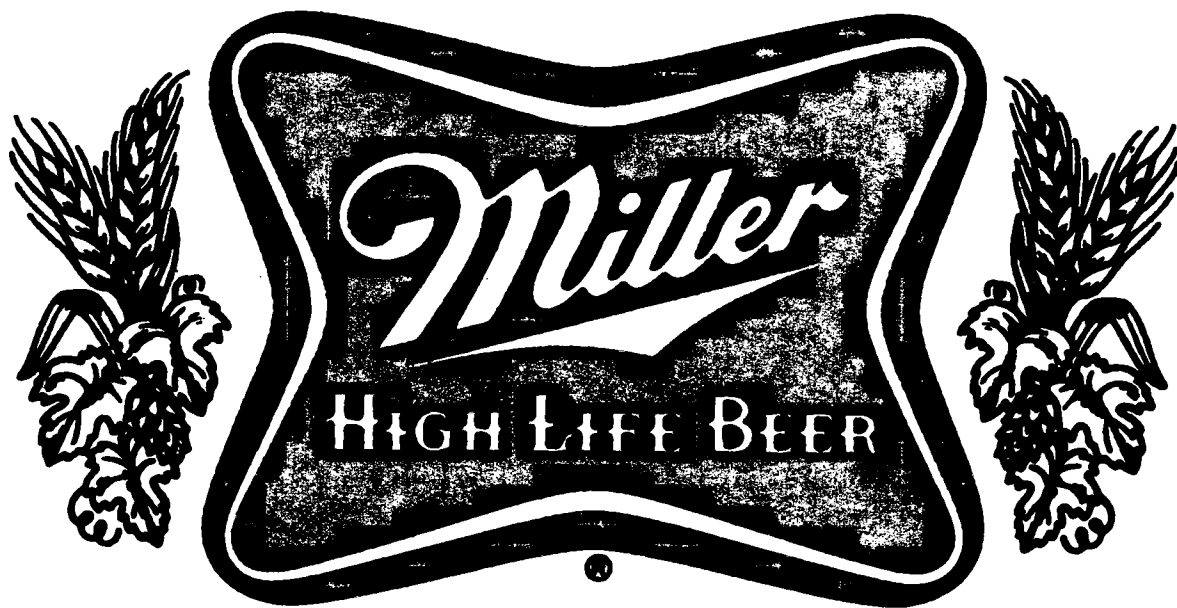

PRESIDENT - World Police and Fire Games Founders Club.

In 1968, Joe Johnson joined Union Oil Company of California after retiring as a sergeant from the Los Angeles Police Department, where he had served for 22 years.

After joining Union Oil Company, he acted as Coordinator of Minority and Urban Affairs in the Union Oil Western Region Division until June, 1982, when he became Manager, Community Affairs, in the Corporate Human Resources Department. He is continuing his work with the police and fire community to show that Union Oil Company has a sincere desire to be part of the First World Police and Fire Games.

Joe was born and has lived in Los Angeles all his life. In 1942 he left UCLA, where he was majoring in Political Science, to serve in World War II. Following his military service with the U. S. Army Air Force, he continued his education, obtaining his law degree from Southwestern University in 1958. He is a member of various business and professional organizations, holding advisory committee memberships in several of these. Joe also teaches a course in Administration of Justice at Southwest Community College in the evenings.
