California Police Athletic Federation Lee Stahl, President

As President of the California State Police Athletic Federation I would like to congratulate each and every competitor for their accomplishments in Sacramento. Win, lose, or whatever place you may have finished; you are all winners by competing.

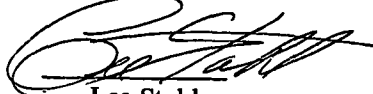

Our sincere thanks also to all those Sacramento people who hosted the Olympics. You did a great job.

Now we are quickly coming up to the Oxnard Police Olympics and two months after that, the first ever, World Police and Fire Games in San Jose.

A herculean task confronts us all. Competitors, hosts, coordinators, coaches and administrators. I sincerely believe that this year's competition will put our California Police Athletes so far ahead of their brothers from other states and countries, that we will never be surpassed!

I extend the warmest of welcomes on behalf of the Board of Directors to one and all. May this be everyones — "Golden Year."

Sincerely,

Lee Stahl,
President
