California Police Athletic Federation
Lee Stahl, President

Dear Competitor,

I would like to extend my heartiest congratulations to all who competed at Oxnard. I'm sure you would join with me in complimenting the Oxnard Police Department for their efforts.

Now, we can all look forward to Newport Beach for the 20th Anniversary edition of the California Police Olympics.

From all recent indications, I'm certain that everyone will be pleasantly surprised and proud with what is being planned by Newport Beach and the University of California, Irvine Police Departments.

Until Newport Beach in 1986, then, "Keep on training," and we'll see you there.

Sincerely,
