CALIFORNIA POLICE ATHLETIC FEDERATION

Dear Competitor:

I'm sure each of us has very pleasant memories of our Twentieth Anniversary California Police Olympics in Newport Beach. In any event, it was certainly the largest Olympics ever, with slightly over 6,000 competitors entered.

Who could ever forget the very stirring and emotional tribute to our fallen brothers at Boxing, on the last night of competition. We are planning to have this memorial service each year at the Police Olympics.

The Board of Directors is constantly striving to make your California Police Olympics better and better.

To this end we will always give to you the best possible competition, accommodations, information packets, etc. possible.

The Board is open to suggestions, verbal and written, and certainly encourages your thoughts, ideas, suggestions, or whatever.

Please refer to our addresses and telephone numbers in your results book and information packet when registering each year.

Until we hear from you then, or see you at the 1987 California Police Olympics in Stockton and the World Police and Fire Games in San Diego, keep the faith and work out hard!

Sincerely,

LEE STAHL

THE WHITE HOUSE
WASHINGTON

June 19, 1986

I am pleased to send warm greetings to all those gathered for the 20th anniversary celebration of the California Police Olympics.

I have lived in California for most of my life, and of course, I had the honor of serving as Governor. In that time, I developed great pride in the professionalism of California's police, sheriffs' departments, and other law enforcement agencies. I am privileged to salute all of you as honored guardians of American lives, property, and peace of mind.

I congratulate the organizers of the California Police Olympics on your great success. Not only does this competition promote physical fitness, it fosters a vital spirit of brotherhood and camaraderie among officers from around the State.

Nancy joins me in sending our best wishes for continued success. God bless you.

Ronald Reagan
