California Police Athletic Federation

30th Annual California Police Summer Games Long Beach June 1996

On behalf of the Board of Directors, I would like to thank and congratulate Chief Robert M. Luman and the Long Beach Games Committee for the outstanding job they did hosting the 1996 California Police Summer Games. They can be particularly proud of their officers, civilian employees and the entire Long Beach community for combining to make these Games both successful and memorable.

We look forward to the 1997 California Police Summer Games in Fresno. It promises to be another great event for athletic competition and family fun.

Henry D. Freeman

JOE STARBIRD
Athletic Director

The 30th Anniversary California Police Olympics/Summer Games were made truly memorable due to the dedication and commitment of the men and women of the Long Beach Police Summer Games Committee. Much of the credit for these very successful Games goes to the officers of the Long Beach Police Department and community volunteers who spent hundreds of hours to bring the very best in athletic competition to the Peace Officers of California.

The 1996 California Police Summer Games would not have been possible without the support of Chief Robert M. Luman and the entire City of Long Beach.

The California Police Athletic Federation expresses it's thanks and appreciation to all who made the 1996 Games the largest ever.

The California Police Athletic Federation ***30 Years of Commitment***

In 1967, the first olympic-style, multi-sport program for police officers was hosted in San Diego, California. 504 law enforcement officers, from all levels of government, entered 16 different sports in what was known as the California Police Olympics. The event proved to be an immediate success and has been hosted annually at different locations throughout California for the last 30 years. After the first year, other states started their own "Police Olympics". Firefighters later started "Firefighter Olympics" in several states.

After the first California Police Olympics, several representatives from the law enforcement community joined together to form the California Police Athletic Federation, a non-profit corporation. The name of the games was changed in 1990 to the California Police Summer Games; as a cooperative gesture to the U.S. Olympic Committee. The Games have grown to host between 4500-6000 competitors annually, which makes it one of the largest events of its kind in the world.

Recognizing the need for an international competition involving firefighters as well as police officers, directors of the Federation formed the World Police & Fire Games Federation. The WPFGE is a subsidiary under the corporate umbrella of the California Police Athletic Federation. Directors of the World Police & Fire Games Federation include the CPAF directors, plus Fire representatives.

The first World Police & Fire Games were held in San Jose, California in 1985. Subsequent Games have been held biennially in San Diego, California; Vancouver, British Columbia; Memphis, Tennessee; Colorado Springs, Colorado and Melbourne, Australia.

The California Police Athletic Federation has come a long way. The Federation is proud to have served our law enforcement community for the past 30 years by bringing these great sports' programs to its men and women. We thank you for your support and wish you well in all your endeavors, on the field and off.
