NOTES

CPAF DIRECTOR CHANGES

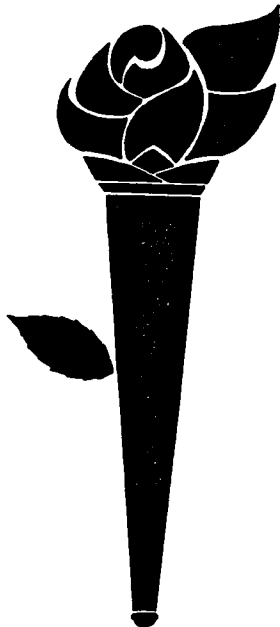

There have been changes on the Board of Directors of the California Police Athletic Federation in recent months. As some may be aware, one of our founding directors, Joe Mollo, announced his retirement earlier in the year, effective at the conclusion of the 1997 World Police & Fire Games in Calgary. Chief Kathy Stanley with U.C. Irvine Police, was selected to take Joe's place.

Also leaving the Board after eight years of service is Detective Bryan L. Lynn of Bakersfield Police Department. With a young family and demanding career, Bryan felt he could not devote enough time to being a CPAF Director. He remains with the board as an Associate Director. Tony Adler, Los Angeles Police Department Athletic Director, was selected to replace Bryan, whose resignation took effect after the recently concluded Summer Games in Fresno.

The Federation thanks Joe and Bryan for their many years of dedication to the ideals of athletic excellence for law enforcement in California and police and firefighters around the world. We wish each the best of luck in future pursuits. We also welcome Kathy and Tony to the Board and hope for many equally productive years.
