The California Police Athletic Federation wishes to thank all those involved in the 2004 California Police and Fire Games. It took the efforts of numerous volunteers and the steering committee to put on a successful Games. Thanks to one and all!!

The 2004 California Police and Fire Games marks the end of a tradition started in 2000 when firefighters were invited to compete. At the request of additional states for participation into this great sporting program, a new era is emerging. The start of the 1st annual Western States Police and Fire Games will be contested in Reno/Sparks/Tahoe area next year.

**2004 California Police and Fire Games
Stockton**

The California Police and Fire Games Federation congratulates the Stockton Games Host Committee for a great time and a most successful 2004 California Police and Fire Games. A tremendous amount of time and effort is required to run an event the size of these Games. To do it successfully requires not only time and energy, but a well organized team dedicated to providing law enforcement and fire fighting professionals the opportunity to compete in their favorite sporting events. Stockton had that team, and proved their dedication through their success.

I would like to congratulate all the medal winners who are listed in this results book. And I also want to congratulate all of our fellow firefighters and law enforcement officers who participated in these Games. I know it is a cliché, but it is true, everyone who competes is a winner. The fact that we have the opportunity to get together to test our physical skills and to develop lasting friendships with others from our professions is the true prize of the California Police and Fire Games.

The 2005 Games will be held in Reno, Nevada from July 23 - 30 and will be called The Western States Police and Fire Games. For the last two years we have opened participation to police and fire fighting professionals from surrounding states, and we felt it appropriate to modify the name of our Games to reflect the expanded competition. We are looking forward to a great Games in Reno, and once again thanks to Stockton for raising the bar of success.

Sincerely,

Ed Hitchcock, President

THE GOLD

Volume 17, No. 1 ■ California Police Athletic Federation ■ September 2004

Welcome to Nevada, "America's Adventure Place" Reno-Sparks-Lake Tahoe 2005 Police and Fire Games July 23-30, 2005

SAME GAMES, NEW NAME.

The California Police and Fire Games have officially changed their name to Western States Police and Fire Games AND in its 39 year history, have opened the door to bring the Games outside of California into neighboring states. In 2005, the cities of Reno and Sparks in Nevada will be hosts to this exciting event. The Games are jointly coordinated by the City of Reno Firefighters and Police, the City of Sparks Firefighters and Police, and the Washoe County Sheriff's Department. The Reno-Sparks Convention and Visitors Authority have played an integral part as a partner in the support and promotion of the 2005 Games.

The Reno-Sparks-Tahoe area offers something for every athletic competitor during both day and night. The line-up of competition venues is being finalized and the registration entry book is on schedule to be sent to prospective competitors. The locations we have selected for our athletic sites are of the highest caliber (some even world-class), making this area's slogan **"American's Adventure Place"** truer than ever. We are looking forward to welcoming the 2005 athletes to the Sierra Nevada area.

We can offer "venues with value", and not just sports venues. Offered are special discounted room rates, special events, and

destination tours for the entire family. "With the 2005 Games being held the end of July, we are hoping many competitors will consider combining their sports competition with a family vacation," stated Gene Le Blanc, Executive Director. We are planning nightly themed social events that showcase some of the region's notable annual events.

The host hotels are the Silver Legacy Resort Casino and the Eldorado Hotel Casino, which are premier properties located in the heart of downtown Reno. Weekday room rates (Sunday-Thursday) are **\$49.99 + tax** per night, and weekend rates (Friday-Saturday) are **\$99.99 + tax** per night. Food and beverage costs are about 3% below the national average, and with the complimentary airport shuttle service available from most hotels and complimentary parking for visitors, it all adds up to having more money to "play".

Enticing entertainment performs on a regular basis. The Silver Legacy and the Eldorado are noted for their exceptional star-name entertainment. Some of the other attractions of the area include Reno's Downtown River Walk, which runs along the Truckee River, a collection of art galleries, artists' lofts, coffee shops, restaurants, theaters, museums and specialty shops, in addition to performing arts theaters. Don't miss the special events planned in Sparks

(continued on pg 3)

CPAF DIRECTOR, BOB BURKE RETIRES

Federation Director, Bob Burke announced his retirement from the Board of Directors of the California Police Athletic Federation after 38 years of dedicated and loyal service. He has been responsible for overseeing the sports of Biathlon, Bench Press, Push-Pull, and Bodybuilding. Bob has also been the Federation Treasurer since shortly after money was invented.

When the California Police Olympics were first held in San Diego in 1967, Bob was Athletic Director of the Los Angeles Police Department. He was responsible for putting together the largest team to compete in the Games. After the success of the Games, Bob was instrumental in activating an organization to assure the continuation of the Games. From this initial organization, The California Police Athletic Federation was formed and incorporated as a non-profit corporation in 1970.

Bob Burke entered the 1967 California Police Olympics twice. Once in the PPC (pistol) event and once in the Weight Lifting event. His second entry fee of \$6.00 has since been refunded. Bob continued on as LAPD Athletic Director until his retirement in 1981, all the while putting together outstanding sports teams from his department to compete in state and national Police Olympics and numerous other athletic events.

From the beginning, Bob served as a Director of the CPAF until his retirement from the LAPD when he retired from all of his activities and club memberships, including the CPAF. Realizing his error, he almost immediately petitioned the Board of Directors of the CPAF to withdraw his resignation, a request with which the Board happily complied.

While never seeking the spotlight, Bob was always quietly a mover and shaker for new and innovative sports programs. He was

the driving force behind the founding of the World Police and Fire Games; he instituted the Biathlon into both the California and World Games; he encouraged the Board to accept Bodybuilding as a sport in the Games. His advice was always valued highly during Federation policy discussions.

Not all of Bob Burke's accomplishments can be included here so suffice it to say that Bob now holds Director Emeritus status with the Federation and is now working to organize the Game's archives and tend to his Rose Garden while remaining at his home in San Clemente with his lovely wife Suzi.

NEW DIRECTORS ANNOUNCED

The Western States Police and Fire Games Federation announces the appointment of 3 new Directors.

Joining the staff is Craig Buckhout, L.C. Collins and Gordon Smith.

Craig Buckhout earned this position by heading up the Coordinators for the 2001 Games in San Jose. He did an excellent job in all aspects of those Games.

L.C. Collins and **Gordon Smith** were 2 of the very capable Sports Directors for the 2003 Games in Sacramento. The Games would not have been as successful without the extreme efforts they showed.

With the appointment of these 3 the Games are sure to continue in its pursuit of excellence for all competitors who enjoy the camaraderie and sports associated with this great event.

The Western States Police and Fire Games Federation Board of Directors welcomes these new Board members.

(America's Adventure Place - continued)

during the Games, such as the Farmer's Market and the City of Sparks Centennial Celebration.

Make your reservations today and take advantage of the special discounted room rates. Several airlines provide daily service to the Reno-Tahoe International Airport, and complimentary shuttle service is available to whisk you to the hotel of your choice.

For questions about the Games, please contact our office at 775-827-7601 or visit our website at www.wspfg2005.org. To make on-line hotel reservations, visit our website and click on the link to the hotels.

Don't delay- reserve today! See you in Reno July 23-30, 2005.

WESTERN STATES POLICE & FIRE GAMES

It has been said that the more things change, the more they remain the same. That can be said for the California Police and Fire Games. Effective in 2005, the California Police and Fire Games become the Western States Police and Fire Games. However, the Games concept remains the same. The Reno-Sparks-Tahoe area of Nevada will be the Host for the new Regional Games which for the past 38 years have been a California only Games.

For the real Old Times, you will recall that the Games began in 1967 as the **California Police Olympics** which they remained until the last California Police Olympics was held in Oxnard in 1989. To avoid the potential conflict with the U.S. Olympic Committee over the use of the term Olympics, the name was changed in 1990 to **California Police Summer Games**. The concept remained the same for another ten years until 2000 when Firefighters were invited to join the competition and San Bernardino Sheriff's hosted the first **California Police and Fire Games**.

This change came about after the World Police and Fire Games had been successfully held for 15 years. Firefighters can now compete in events they have never had in the Firemen's Olympics and the competition for both services will be improved in all sports. The concept of the sports remained the same with only guiding body rules changes and the natural progression of sports change taking place.

Over the years, other states held their own Games. These Games were always open to competitors from California and for years requests had been made by athletes from other states to compete in California. Finally, in 2003, out of state police and fire athletes from western states were invited to compete in the California Police and Fire Games held in Sacramento. With this change, a group from the Reno-Sparks-Tahoe area which had been working on a bid for the World Police and Fire Games requested to be considered as Host for the 2005 "California Police and Fire Games". Their efforts to host the World Police and Fire Games had broken down. The California Police and Fire Games Federation accepted the Reno-Sparks-Tahoe area bid to Host the Games. Not surprisingly, problems developed with Nevada hosting a California event, so the logical solution was to change the name to **Western States Police and Fire Games**.

The California Police and Fire Games Federation now becomes the **Western States Police and Fire Games Federation**. The Board of Directors of the federation administer the Western States Police and Fire Games. The non-profit corporation which is the legal body charged with the administration of the affairs of both the Western States Police and Fire Games and the World Police and Fire Games is the **California Police Athletic Federation** whose directors are represented on both the regional and world boards of directors.

By now, most everyone is confused but there is one thing for sure, **the more everything changes, the more it stays the same**. The Games remain the same, only the names have changed.
