### **Coxswain Proficiency Test:**

To ensure safety and proper care of borrowed equipment, coxswains must have reasonable previous experience at steering crews. All coxswains must therefore be prepared to pass a practical proficiency test prior to racing. The officials reserve the right to immediately disqualify any coxswain from steering a crew both in training and competition who cannot clearly demonstrate such a reasonable standard of proficiency.

Coxswains can, subject to the above provision, be provided by competing Teams. Alternately Coxswains will be supplied by the Host Organization.

**Coxswains Accompanying Teams; Eligibility:** must meet eligibility rules and submit an Entry Form the same as the rest of the team.

**Note: If a volunteer Coxswain is used and that Coxswain is not eligible to compete in the World Police & Fire Games NO medal will be awarded to that Coxswain.**
