Pickleball Court - Maximum of 2 players on a team.

Entry Deadline: April 21, 2025

OFFICIALS

Credentials Official: This person works under the supervision of the Sport Coordinator and is responsible for verifying that each player in each game is properly credentialed (competitor pass and agency identification). If multiple venues are utilized, one Credentials Official must be assigned to each venue.

Line Judges:

In many cases the need for line judges is filled by pleading for anyone not playing in a match to man a line judge position. Due to a shortage of line judge candidates the person who ultimately volunteers may or may not be qualified. Generally, lack of qualification is overlooked just to fill the position.

Scorekeeper: Each team will keep their own score and report back to the coordinator after the game is complete.

PERSONNEL

USPFC PICKLEBALL- 2025

Sport Coordinator: Supervises all facets of events.

Assistant Coordinator: When using more than one venue the coordinator must ensure that an Assistant Coordinator is at each venue during competition.

Check-in table workers: the Host must provide a minimum of one (1) person to work the competitor check-in table located at each venue each day of competition. They work under the direct supervision of the Sport Coordinator and must be familiar with the USPFC rules for competitor check-in procedures.

MEDICAL

Basic medical supplies must be provided by the Host at each site for competitors, including ice packs, bandages, and elastic wrap.

Communications shall be available at each venue and preparations made in case it is necessary to summon emergency services.

FACILITY

Pickleball designated facility.

If needed based on the number of participants, A minimum of eight courts are required. Scheduling of games should facilitate as little travel and change of locations as possible.

If possible, the venues should be made available to competitors for familiarization and practice the day prior to the tournament.

EQUIPMENT

Game balls: Host shall provide one game ball in new or very good condition for each court. Each team is responsible for providing their own pickleball paddles and practice balls.

Bracket Charts: Large bracket charts shall be clearly posted at each venue and updated so that the competitors will know where and when they are scheduled to play their next game.

Miscellaneous Equipment: Pencils, clipboards, scorebooks, chairs, and seating for competitors. Water and/or liquid refreshments shall be provided by the Host for competitors.

BRACKETS/FORMAT

Tournament format will be round robin pool play with the first player/team to 11 points, win by 2.

USPFC PICKLEBALL- 2025

- Events with 8 or more players/teams will be determined by the number of players entered into each event. A single elimination tournament will follow with all medal matches one game to 15 points, win by 2
- Events with 5-7 players/teams will play a round robin tournament to 11 points, followed by medal matches for the top 4 players only. The gold medal match will be 1 v. 2, bronze medal match will be 3 v. 4, one game to 15, win by 2.
- Events with 3-4 players/teams will be round robin to 11 points. After round robin is completed, each player/team will play in a single elimination tournament based on the results from the round robin. This tournament will be best of 3 games to 11, win by 2.
- Events with only 2 players/teams will play the best of 3 matches. These matches will be best of 3 games to 11, win by two. If the first two matches are split, the third match will be the first player/team to 15 points

Awards will be presented to 1st through 3rd place for each event within each age division.

SCHEDULING

Schedule for three (3) days of competition. Allow for 20 minutes per game. There is a ten (10) minute forfeit rule in effect.

GENERAL SPORTS RULES for Pickleball

Pickleball is played either as doubles (two players per team) or singles. Doubles are most common. The same size playing area and rules are used for both singles and doubles.

A team will have a maximum of two (2) players on the court. A team will forfeit the game if there are not two (2) players on the court. A team must have two (2) players on the court to start a game or a forfeit will be called.

The Serve:

- Must be made underhand.
- Paddle contact with the ball must be below the server's waist (naval level).
- The serve is initiated with at least one foot behind the baseline; neither foot may contact the baseline or court until the ball is struck.
- The serve is made diagonally cross court and must land within the confines of the opposite diagonal court.
- Only one serve attempt is allowed, except in the event of a let (the ball touches the net on the serve and lands in the proper service court; let serves are replayed).
- Manipulating the ball to add spin during the release of the ball is not allowed. Some natural rotation of the ball when it is released is allowable, but the server must not impart manipulation or spin prior to striking the ball to serve. This applies to the volley serve and the drop serve

USPFC PICKLEBALL- 2025

Service Sequence:

- Both players on the serving doubles team can serve and score points until they commit a fault (except for the first service sequence of each new game).
- The first serve of each side-out is made from the right-hand court.
- As subsequent points are scored, the server continues switching back and forth until a fault is committed and the first server loses the serve.
- When the first server loses the serve, the partner then serves from their correct side of the court (except for the first service sequence of the game).
- The second server continues serving until their team commits a fault and loses the serve to the opposing team.
- Once the service goes to the opposition (at side out), the first serve is from the right-hand court and both players on that team have the opportunity to serve and score points until their team commits two faults.
- In singles, the server serves from the right-hand court when their score is even and from the left when the score is odd.

*At the beginning of each new game, only one (1) partner on the serving team can serve before faulting, after which the service passes to the receiving team.

Scoring:

- Points are scored only by the serving team.
- Games are normally played up to 11 or 15 points, win by 2.
- When serving team's score is even (0,2,4,6,8,10), the player who has the first serve in the game for that team will be on the right-side court when serving or receiving; when odd (1,3,5,7,9), that player will be on the left-side court when serving or receiving.
- **Double Bounce Rule**-when the ball is served, the receiving team must let it bounce before returning, and then the serving team must let it bounce before returning, thus two bounces.
- After the ball has bounced once in each team's court, both teams may either volley the ball (hit the ball before it bounces) or play it off a bounce (ground stroke)
- The double bounce rule eliminates the serve and volley advantage and extends rallies.

Non-Volley Zone:

- The non-volley zone is the court area within seven (7) feet on both sides of the net.
- Volleying is prohibited within the non-volley zone. This rule prevents players from executing smashes from a position within the zone.
- It is a fault if, when volleying a ball, the player steps in the non-volley zone, including the line and/or when the player's momentum causes them or anything they are wearing or carrying to touch the non-volley zone, including the associated lines.

USPFC PICKLEBALL- 2025

Line Calls:

- A ball contacting any line, except the non-volley zone line on a serve, is considered “in”.
- A serve contacting the non-volley zone line is short and a fault.

Faults:

- A fault is any action that stops play because of a rule violation.
- A fault by the receiving team results in a point for the serving team.
- A fault by the serving team results in the server’s loss of service or side out.
- A fault occurs when:
 - A serve does not land within the confines of the receiving court.
 - The ball is hit into the net on the serve or any return.
 - The ball is volleyed before a bounce has occurred on each side.
 - The ball is hit out of bounds.
 - A ball is volleyed from the non-volley zone.
 - A ball bounces twice before being struck by the receiver.
 - A player, a player’s clothing, or any part of a player’s paddle touches the net or the net post when the ball is in play.
 - There is a violation of service rules.
 - Faults for incorrect server, incorrect receiver and player position errors are eliminated.
 - The ball in play strikes a player or anything the player is wearing or carrying.
 - A ball in play strikes any permanent object before bouncing on the court.

Determining Serving Team – Players use a coin toss to determine who will serve first. The winner of the coin toss will have the option to choose side or to serve or receive.

NOTE: Any serious violation of conduct, such as fighting or violence toward players or officials, will result in the player(s) immediate ejection from that game and his/her automatic suspension from his/her team's next scheduled game. The event coordinator will immediately notify the USPFC, which will investigate each incident to determine if additional discipline is to be imposed.
