Service Gun Team Event

The score from the Individual Service Gun Event will be used as that participant's Team score. Pick-up Teams will be allowed, however, all Team members must be declared prior to any member of that Team firing a round of ammunition.

All team competitors must be entered in the Individual event to be eligible to shoot the Team events. Competitors may enter either the 2-person or the 4-person team events, but not both.

Production Duty Optic:

Pistols meeting the N.R.A. Rule specifications for Production Pistol in Section 3.10 and are listed as Approved in Police Pistol Combat Bulletin 14.1 may be equipped with an Approved non-magnified optic suitable for duty use. The Duty Optic must be listed as Approved by NRA Law Enforcement Competitions in Police Pistol Combat Bullet 19.1 on the Law Enforcement Competitions website. See Rule Book Section 19.1 for PPC Classifications. To be considered for approval, Duty Optics must mount without any modification to the handgun as originally manufactured. Swapping the original slide to an aftermarket slide with optic mount cuts is not allowed since the handgun is no longer as originally manufactured. The pistol should have co-witnessed front and rear sights, but the rear sight may be removed to mount the Duty Optic or to use a stock Optic Ready Plate.
